

It is a class A misdemeanor punishable, notwithstanding the provisions of section 560.021, RSMo, to the contrary, for a term of imprisonment not to exceed one year in the county jail or a fine not to exceed ten thousand dollars or both, for anyone to sign any INIATIVE petition with any name other than his or her own, or knowingly to sign his or her name more than once for the same measure for the same election, or to sign a petition when such person knows he or she is not a registered voter.

Initiative Petition

To the Honorable...0 ROBIN CARNAHAN....., Secretary of State for the state of Missouri:

We, the undersigned, registered voters of the state of Missouri and County (or city of St. Louis), respectfully order that the following proposed amendment to the constitution shall be submitted to the voters of the state of Missouri, for their approval or rejection, at the general election to be held on the2ND.... day of ...NOVEMBER....., 2010....., and each for himself or herself says: I have personally signed this petition, I am a registered voter of the state of Missouri and County (or city of St. Louis), my registered voting address and the name of the city, town or village in which I live are correctly written after my name. Shall the Missouri Constitution be amended to restrict the ability of the General Assembly, counties, and other political subdivisions to tax and generate revenue by limiting the General Assembly's power to pass legislation that permits counties and other political subdivisions to tax for county, municipal, and other purposes; removing the authority to tax Missouriian's real or personal property; requiring that any increase to state income taxes be approved by a majority vote of the people; and by removing or modifying certain other tax provisions?

Prohibiting the levy of property and sales taxes by local governments would eliminate or reduce funding for local governmental services, including public schools, transportation, safety, and health programs. State governmental services to the blind would be eliminated or reduced. The estimated cost to state and local governmental entities could exceed \$8.5 billion annually.
